**NEW!** [download map](#)

**Download:** [leaflet](#)

**Space:** 1.800 m<sup>2</sup>

### Production:

Wiring harnesses  
PCB - Assembly

**NEW!**  
SMD 3 SMD-lines  
PTH - wired components  
singlesided & doublesided & mixed technology  
Systems assembly  
Softwareintegration ( for utilities )

### Capacity:

SMD - Prototyping  
SMD - Small, medium and large volume  
PTH - wired components small, medium and large volume  
Inventory and logistics

### Performance:

Electronic cable-tester  
Solderability tester  
Cleanliness tester (residues)  
Solderprofile-computing  
Purchasing, Components-Logistics  
Optical Test - Videomicroscope and magnifiers  
Frame-contracts  
Just-in-time  
ISO-9002 - handbook  
QS-9000 - handbook

**Distribution:**

Components  
Soldering materials and equipment  
Measurement & Control

**Customers:**

Telecom  
Industrial Electronics  
Industrial robots  
Railroad control and safety  
Lightning industry (consumer)  
Slotmachines  
Controls  
Computers
